

Lifeloc EV30 Professional Breath Alcohol Tester

Lifeloc Technologies has provided advanced alcohol testing equipment and training for Workplace and DOT professionals for over 25 years.

The EV30™ marks a significant step forward in workplace breath alcohol testing with its ease of use, superior ergonomics and image quality. The kit consists of Lifeloc's field proven EV30 breath alcohol testing instrument teams with a rugged, reliable and compact thermal printer and our new "Thermalast" thermal paper.
