## Lifeloc Phoenix 6.0BT

### EasyMode Software

- **Ease of Use:**  
Provides error free testing by guiding you through DOT protocol. (Automatic Air Blank—Screening Test—15 Minute Timer—Confirmation Test—Printout)
- **Ensures Compliance:**  
On a positive test result, prompts are given when you need to contact the DER as well as when to perform a calibration check

### PermAffix Labeling System

- **Tamper Evident:**  
Slits on all four corners providing enhanced security, reducing the need for messy tape
- **Self-Adhesive:**  
Simply peel and stick with a powerful adhesive protecting against peeling
- **Sized to Fit:**  
Cut specifically to fit DOT and other breath alcohol testing forms
- **Permanent:**  
Clear imaging without smudging or fading

### Wireless Bluetooth Printing

- **True Mobility:**  
Up to 33' wireless connectivity range
- **Secure:**  
Encrypted data transmission between printer and unit
- **Automatic Temperature Compensation:**  
Heated print head provides fast, clear results in any climate
- **Long Battery Life:**  
Low power draw from the printer
- **Automatic Bluetooth Pairing:**  
6.0BT is paired with your printer before leaving the factor; simply turn the unit on and you are ready to print

### Other Features

- **Deluxe Warranty**
- **Automatic Altitude Compensation**  
Built in barometric pressure sensor
- **Bright Graphic Display**
- **Fast Response and Recovery Times**
- **Customizable Software**
- **Platinum Fuel Cell Sensor**
- **DOT/NHTSA Approved**
- **AlcoMark® Software Compatible**
